Dear Dr. Gibbs:

I am pleased by the work that The Palmetto Palace is doing to meet a critical need in the Charleston area. This organization provides vouchers for accommodations, food and transportation for families who have a loved one hospitalized for critical care. This can be an extraordinary financial burden for families when they are already facing mounting hospital bills. The Palmetto Palace provides a refuge and a much needed helping hand for these families at a very difficult time.

It has been my pleasure to learn from you firsthand about the wonderful work that you are doing in the community. I fully support the efforts of The Palmetto Palace, and look forward to seeing your continued good work in the Charleston area.

With kindest regards, I am

Sincerely,

James E. Clyburn
